International Women's Day 2023

campaign theme:
#EmbraceEquity

Equity isn't just a nice-to-have, it's a must-have.

A focus on gender equity needs to be part of every society's DNA.

And it's critical to understand the difference between equity and equality.

Equality means each individual or group of people is given the same resources or opportunities.

Equity recognizes that each person has different circumstances, and allocates the exact resources and opportunities needed to reach an equal outcome.
