WHAT'S HAPPENING

Welcome to the month of May! We get to celebrate all the incredible teachers in our life with National Teacher's Day, celebrate the holiday of Cinco de Mayo and honor all the amazing Moms out there on Mother's Day. And of course, at the end of the month our school year comes to a close with a special Pre-K/TK Promotion ceremony. We are immensely proud of each one of our FDS students and the amazing journey they have had this past year. #teamFDS

A special message
from our awesome
Owner/Director,
MS. MARY

What a year it has been for everyone. It has been a challenge, but with our wonderful staff, loving families and fantastic children, we made it! :)
Now get ready for some Summer Fun!
Love, Ms. Mary

STAFF ANNIVERSARIES

Mr. Andrew celebrates his 21st year here at FDS! Where do we begin to express how awesome he is?? We are so thankful for his dedication, loyalty, care and heart that exudes throughout the school. Thank you for everything that you do, we love you!!

Ms. Erica celebrates her 2-year anniversary! We are so thrilled to be celebrating her second year here at FDS, even though it feels like much longer! Thank you for all your incredible love, skill and dedication you pour into your classroom and children each day. You rock!!!

OVERHEARD IN THE CLASSROOM:

Teacher: "How's it going with your edible necklace?" (stringing fruit loops)

Child: "It feels like I'm jumping on a cloud!"

FIRST... A LITTLE HISTORY!

In 1953, Eleanor Roosevelt takes the idea of National Teacher Day to Congress. In the 1970's, the National Education Association teams up with the Kansas & Indiana State Boards of Education and lobbies to make National Teacher Day an official holiday.

In 1984, National Teacher Day is moved from March 7th to the first Tuesday of May, thus creating National Teacher Appreciation Week.

1985, the NEA makes the first Tuesday of May National Teacher Day.

Each one of us has at least one special teacher that has greatly influenced the direction & quality of our lives. A teacher's job is one of the most important in the world. They shape young minds, build self-esteem and confidence, teach critical skills that serve them the rest of their lives and are their true/unwavering champion.

Our teachers here at FDS are among the best. Their heart, dedication, passion, creativity, and pure talent for connecting with and supporting young ones, during their most important developmental stages in life, is truly remarkable and we are SO thankful for them!!
