WHAT'S HAPPENING

As we welcome May, we also welcome an abundance of fun events and activities! There's a lot going on, so be sure to mark them all in your calendar.

We also welcome the end of the academic school year with so much gratitude and warmth as we reflect on the year past and look forward to the next with excitement. The pride and joy we feel each day when we look at the children's growth, development, and all that they have achieved over the past year, is a continuous source of inspiration. Your children are truly remarkable, and we are so honored to have been a part of their journey in life.

For those who are moving on to their next school, we are confident that they will continue to thrive, shine, and succeed. We love it when alumni come back to visit, so please don't be shy about stopping by!
