WHAT'S HAPPENING

Happy October!! With all the recent fires, we are looking forward to Fire Prevention Week which is Oct. 4th – Oct. 10th. The children will learn about our incredible local community heroes, the firefighters, and key points in fire safety. Each class will make a special thank you card that will be delivered to Los Angeles County Fire Station #8. If you & your child would like to make an individual card from home for them, you may drop it to us before Oct 8th.

It has been so wonderful seeing the children swimming and learning again, they are doing great! A huge thank you the amazing Ms. Mary who runs the swim program (along with being the Owner/Director of FDS), as well as our awesome swim instructors Mr. Terrance, Ms. Daniela and Mr. Gavin.

We have begun offering private swim lessons (only for children currently enrolled on campus). Private lessons are now available in packs of 5 for \$200. If you are interested, please contact the office.

zoom READING SERIES!

As you may have heard, we've begun our special weekly Zoom reading series. Once a week, each class gets a special "visit" from a member of Admin for a special reading or activity via Zoom. It's been going so wonderful, and the children have been really enjoying it, and so have we! Here's a few behind the scenes images:

IN OTHER NEWS...

TEACHER FEATURE

This month we get to learn about our Terrific Two's Teachers!

MS. TYLER

Hi, my name is Tyler Posey and I was born and raised in the Los Angeles Area. In my free time, I love to go hiking and trying out new group workout classes. I am a recent 2020 graduate from LMU school counseling program and excited to be working here at Fountain Day School. I am the oldest girl out of 4 siblings and recently became a married woman. Thank you everyone for welcoming me into your school community.

MS. JULIETTE

Ms. Juliette is in her 7th year as a 2 year old teacher at Fountain Day School. She loves working with toddlers because of their endless curiosity and enthusiasm. She has a B.A. from UC Berkeley in Religious Studies and is currently in a Masters of Early Childhood Education program at Cal State LA. She loves spending time with her husband Jack, their son John, and their silly dog Charlie! They like to ride bicycles and go hiking in their free time. You can often find her baking cookies or just laughing at life's many absurdities!

MS. RAQUEL

Hi! I'm Ms. Raquel, one of the two year old teachers this year. I have been working with young children for over twenty years. I believe all children are unique and learn in different ways. I love teaching young children because this is the foundation in their education. I want to spark their learning experience so they can continue to blossom in their education as well as their social experiences. In my free time I enjoy spending time with my family and exploring nature.

MS. LISA

I've been working in Early Childhood Education since 1980 when I got hired a few months out of high school. I've spent many years continuing my child development education, raising two children of my own, and learning from some amazing co-workers who taught me communication skills, positive mindset and most important to have a sense of humor!

Thank you so much to Indie O.'s family for your thoughtful & wonderful gifts to the staff. We love them! @PINdemic_HEROES
