WHAT'S HAPPENING

The first week of October is Fire Prevention Week. Each year has a theme, and this year it is “Learn the Sounds of Fire Safety.” It focuses on recognizing the different sounds smoke & carbon monoxide alarms make, and what to do when an alarm sounds. Each year we collect cards from the classrooms and deliver them to our local fire station 8 to show our gratitude.

We are so excited to announce that we will be receiving a special visit from Fire Station 8 on Thursday, October 7th! It will be a socially distanced event, but the children will have the opportunity to interact with the truck at the end.

The last week of October is Halloween Week here at FDS! It will be packed full of spooky & silly fun, with a trick or treating event, our annual Serenade Jack and Halloween Class Parties.
