WHAT'S HAPPENING

Last month marked the beginning of our exciting new partnership with the brilliant organization, TeachAAPI! Please see page 2 of the newsletter to learn more. We are adding this into our 3's and 4's curriculum for this year, and will expand it into our 2's curriculum throughout the year as well. To begin, each of the classrooms received a beautiful box full of activities ready to be enjoyed by the children about the Mid-Autumn Moon Festival. We will be receiving additional books to supplement our library and classrooms, and will have more special activities/events that will take place in May.

We are thrilled to announce our partnership with [TeachAAPI](#), a grassroots organization founded by a group of dedicated and committed parents and educators across K-12 schools in greater Los Angeles. Their goal is singular and focused—to create a cohesive, connected community of AAPI families and allies, working hand-in-hand to enhance awareness, celebrate diverse cultural heritage, and strengthen a shared identity. Since its founding, [TeachAAPI](#) has reached over 15,000 students across 34 states. We are excited to be part of the pilot preschool program which will bring experiential hands-on learning to our students throughout the year, joining 16 of [TeachAAPI's](#) partner preschool network across the greater LA area. In addition to creating shelf-ready lesson plans and curriculum content for implementation in the classroom, [TeachAAPI](#) also hosts varied community and school events featuring different AAPI countries and cultures. Our partnership with [TeachAAPI](#) forms part of our drive to create a safe, empathetic, diverse educational community for our students to thrive in.

An important component of [TeachAAPI's](#) partnership is their parent community. Those interested in supporting the programs are invited to join [TeachAAPI](#) as a parent ambassador. Please look out for community announcements in the coming months and reach out to Victoria Yu (s.m.victoria.yu@gmail.com) if you are interested to find out more and get involved.
